eSports Promotional Video Internship

Description of the internship

Paradigm Global Innovations is looking for 4 interns to help create a promotional recruitment video for an eSports team. They will work on creating both 2D and 3D assets to be used in the video as well as offering input towards the development of the video. Their roles will depend on their own personal experience and they may change depending on the needs of the video. This internship will take place every week in person from September 9th to September 30th (social distancing rules will be applied, masks required-will be provided for those who don't have one).

Intern requirements and special skills

- Ability to work 2 hours per week
- Reliable transportation to/from the office 1 day a week (bus passes will be provided)
- Familiarity with digital marketing and video editing computer software (*There is no specific software that the interns are required to be fluent in - all software to be used for this project will be taught to the interns*)
- Examples of creative work (*graphic design, video editing, animation, motion graphics, or illustration*)
- Collaborative skills and experience working within a team
- Flexibility and a willingness to learn/try new things
- An interest in eSports and video games

Interns will need to complete the following form to apply
